SMART navigation™

“From 1 April 2026, every clinically urgent request must be dealt with the same day.”

NHS England, GP Contract 2026/27

SMARTnavigation is how EMIS practices deliver it.

CONTRACT REQUIREMENT	HOW SMARTNAVIGATION DELIVERS IT
Same-day urgent response	GP-designed, NICE CKS aligned triage from the first call
No “call back tomorrow”	Structured pathway on every contact, first time
Auditable same-day % for NHSE metrics	Every triage logged, GPAD-mapped
Online consultations uncapped	Reception-led navigation absorbs the 8am rush

EMIS Partner API — fully integrated • Set up in 30 mins • 3 months free • 100+ practices • 500k+ patients
