SMART navigation™

STAGE 1: PRICING

Simple, transparent pricing

designed for NHS primary care

£1,000 for 12 months

Per practice, all-inclusive. No hidden charges. No auto-renewals.
Includes full onboarding, training & clinical support.

From single-site surgeries to ICBs — one simple price for everyone.

Usage & Adoption

152,508
Patients triaged (2024–25)

40+
Practices nationally

£4.7M
NHS savings in 12 months

71 hrs/wk
GP time saved

Stage 2: Automated Voice Triage

AI-powered voice agent handles patient calls 24/7, guiding them through clinician-designed triage pathways.

- Handles overflow and out-of-hours calls automatically
- Same clinically-safe pathways used by receptionists
- Seamless handoff to human staff when needed

Safer triage. Less pressure on your practice.
