SMART navigation™

STAGE 1: PRICING

Simple, transparent pricing

designed for NHS primary care

£1,000 for 12 months

Per practice, all-inclusive. No hidden charges.
No auto-renewals. Full onboarding, training & support included.

From single-site surgeries to ICBs — one simple price.

Usage & Adoption

152,508 Patients triaged (2024–25)	**40+** Practices nationally
£4.7M NHS savings in 12 months	**71 hrs/wk** GP time saved

Stage 2: Automated Voice Triage

AI-powered voice agent handles patient calls 24/7, guiding them through clinician-designed triage pathways.

- Handles overflow and out-of-hours calls automatically
- Same clinically-safe pathways used by receptionists

Safer triage. Less pressure on your practice.
